Lightspeed

Keep your students engaged, everywhere

Lightspeed Mobile PA

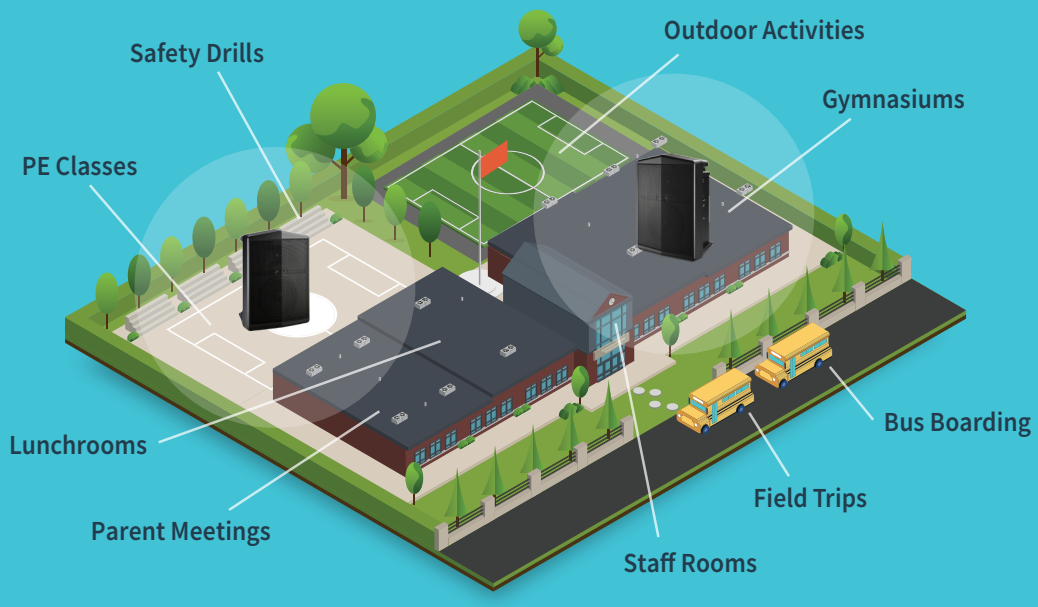
It's a simple, reliable way to bring clear audio to large, active learning spaces

Ready to go right out of the box, Mobile PA delivers powerful audio with high speech intelligibility to students in larger spaces in and around the school.

Instructional audio that goes where it's needed, when it's needed

Because the barriers to listening are even more impactful in outdoor and large, active spaces, keeping students engaged is an ongoing challenge.

Mobile PA is an easy-to-use, portable instructional audio system that requires no set up, special training or complicated connections.



High-quality wireless microphones for both teachers and students

Designed for education, these wireless microphones effortlessly project the natural voice to reduce strain and fatigue.

LIGHTWEIGHT TEACHER PENDANT MIC

STUDENT PASS-AROUND MIC

Grab-and-go operation, packed with features

Voice Priority
Mute background music when microphone is in use

One-Button Control
On/off and volume for audio input, output and tone
